

11.4.2019

ATLANTA ATHLETIC CLUB

1930 Bobby Jones Drive, Johns Creek, GA 30097

PRESENTED BY

Each year, the American Cancer Society hosts a variety of events to leverage public support in advancing its mission to save lives, celebrate lives, and lead the fight for a world without cancer. One premier event is the Atlanta Select Golf Invitational, which provides an ideal opportunity to align with a life-saving cause while gaining visibility among an audience of greatly influential business and philanthropic leaders. This event annually raises more than a quarter of a million dollars, convenes the support of local and national corporations, and offers a top-notch experience to all who attend.

The 14th annual Atlanta Select will feature two main events: an exclusive Patrons Party and a tournament at the Atlanta Athletic Club. This exceptional venue has two 18-hole courses ranked within the top ten of Georgia by *Golf Digest*! In addition to competing in golf for prizes, guests will bid on fantastic auction items, celebrate cancer survivors, honor those who have succumbed to the disease, and learn about cancer prevention. There's no better reason to tee up, so join us!

Attacking from every angle.™

The American Cancer Society's (ACS) mission is to save lives, celebrate lives, and lead the fight for a world without cancer. We do this through four primary ways:

WE DELIVER BREAKTHROUGHS investing in innovative research to develop game-changing approaches. This includes extramural research grants, cancer prevention studies, ACS journals and publications, a behavioral research center, and research venture fund. The American Cancer Society is the largest non-governmental source of cancer research funding in the United States. Through the years, 47 ACS-funded scientists have won the Nobel Prize. Today, ACS is funding **\$410,152,249** in research grants across the country!

WE PROVIDE DIRECTION as a passionate ally, empowering people with information and answers. Throughout the cancer journey, ACS provides a circle of care that offers patients comprehensive information, daily help, and emotional support. This mainly includes our work through the National Cancer Information Center, Patient Navigation Program, cancer.org, cancer screening guidelines, health professional and patient education.

WE ARE ACTIVISTS convening relentless partners for awareness and impact. More specifically, this refers to ACS CAN (Cancer Action Network), cancer control roundtables, Coaches vs. Cancer, CEO's Against Cancer, and corporate partnerships. ACS promotes effective cancer policies and legislation at the federal, state, and local levels. Current advocacy efforts include creating a smoke-free environment in Atlanta's Hartsfield-Jackson Airport and increasing the tax on tobacco products.

WE BUILD COMMUNITIES united to fight cancer with access to treatment and compassion. This is accomplished through services like the Hope Lodge, Road to Recovery, CHANGE Grants, Relay for Life, Making Strides, galas and golf events. ACS partners with community groups, schools, faith organizations, corporations and more to bring practical, cancer-fighting information to people nationwide.

Cancer death rates have declined in the U.S. by 23% since 1991 but we can't stop there! About 606,880 Americans are expected to die of cancer in 2019, which equals about 1,660 people per day. We are committed to improving these devastating odds!

11.4.2019

ATLANTA ATHLETIC CLUB

1930 Bobby Jones Drive, Johns Creek, GA 30097

The American Cancer Society is thrilled to host the next Atlanta Select Golf Invitational at one of the most elite golf destinations in Georgia: the Atlanta Athletic Club! Most notable about this storied venue are the following attributes:

THE COURSES

The Atlanta Athletic Club has two 18-hole courses: Highlands and Riverside. They have been ranked fourth and ninth, respectively, on *Golf Digest's* 2017-2018 list of “The Best Golf Courses in Georgia.”

PAST TOURNAMENTS

The Atlanta Athletic Club has been the venue for many prestigious tournaments over the years, including the 1981, 2001, and 2011 PGA Championships plus the 1976 U.S. Open. In fact, it is the only golf club in Georgia to ever host these major events!

BOBBY JONES

The Atlanta Athletic Club was Bobby Jones’s home club. He grew up playing golf at the East Lake location and became the world’s most famous amateur golfer. Jones served as president of the Atlanta Athletic Club and was an active member until his death in 1971.
